

Help your child learn to write the letter with Miss Annette's worksheet using creative methods like molding playdough, stamping, stickers, tracing with markers, crayons, colored pencils, or even arranging cereal.

See additional ideas in the borders. 😊

Sand Writing - sprinkle sand or salt on the worksheet and have your child trace the letter with their finger.

Rainbow Writing- use different colored pencils or marker to trace over the letter multiple times, creating a rainbow effect.

Glitter Glue- trace the letter with glitter glue to add a sparkly touch.
