

Help your child learn to write the letter with Miss Annette's worksheet using creative methods like molding playdough, stamping, stickers, tracing with markers, crayons, colored pencils, or even arranging cereal.

See additional ideas in the borders. 😊

Yarn or String: Cut yarn or string and glue it over the letter to create a textured version.

Stickers: Have your child form the letter by placing small stickers along the lines.

Dot Markers: Use dot markers or bingo daubers to fill in the letter.
